By submitting this form you confirm your registration and bid(s) as above and accept Phillips' Conditions of Sale for the Auction as published on our website at <https://phillips.com>

Important:

- **Private Individuals:** Proof of identity in the form of government-issued identification and recent (dated within last 3 months) proof of address is required. We may also request a bank reference.
- **Companies:** If you are buying under a business entity, we require a copy of government-issued identification (e.g. certificate of incorporation) as well as proof of ownership (including ultimate beneficial owners) and directors of the company to verify the status of the company, as well as an official document confirming the company's tax status.
- **Conditions of Sale:** All bids are placed and executed, and all lots are sold and purchased, subject to the Conditions of Sale for the auction you are registering for, which are available online at <https://phillips.com>. Please read them carefully before placing a bid.
- **Buyer's Premium:** Phillips charges the successful bidder a commission, or buyer's premium, on the hammer price of each lot sold. The buyer's premium is payable by the buyer as part of the total purchase price at the following rates depending on the chosen bidding method:

Hammer Price	Priority Bidding Buyer's Premium rates	Standard Buyer's Premium rates
Up to and including €1,750,000	25%	29%
Plus the portion of the Hammer Price above €1,750,000 up to and including €7,000,000	20%	22%
Plus portion of the Hammer Price exceeding €7,000,000	14%	15%

- **Priority Bidding:** If you qualify as a Priority Bidder (see requirements below), then as a successful bidder on a Lot you will benefit from the lower Priority Bid Buyer's Premium rates referenced above. You must meet the following conditions to qualify for these rates:
 - Phillips Bid Department at the sale site must receive your signed bid form **48 hours or more (local time) before the start of the Auction.**
 - Your written Absentee Bid must be **equal to or greater than the published low estimate** of the Lot;
 - You must **not "opt out"** of Priority Bidding when submitting your bid;
 - You must be the successful bidder on the Lot; and
 - You must **pay the Lot's purchase price in full by the payment date** stated on the invoice.

For full details see the Conditions of Sale and "Priority Bidding FAQs" at <https://phillips.com>

- "Buy" or unlimited bids will not be accepted.
- Alternative bids can be placed by using the word "OR" between Lot numbers.
- **Absentee bids:** Please indicate the maximum hammer price limit for each Lot you are prepared to bid (excluding Buyer's Premium and any applicable taxes). Your bid will be executed at the lowest hammer price taking into account the Lot's reserve and other bidders.
- **No Reserve lots:** In the absence of other bids, we will execute the bid at approximately 50% of the published low estimate of the Lot or if the bid is less than 50% of the low estimate, at the amount specified. To benefit from Priority Bidding on "no reserve" Lots, your Priority Bid must be at or above the published low estimate of the Lot.
- **Currency:** Bids must be submitted in the currency of the auction room.
- **Identical Bids:** If we receive identical bids, the first bid received by our Bids Department will take precedence.
- **Bidding Services:** Arranging absentee bids and telephone bids is a convenience we offer prospective buyers. We will exercise reasonable care in doing so, but we do no warrant or guarantee execution of your bids and exclude our liability for errors in execution to the maximum extent permitted by applicable law.

• **Telephone bidding:** Telephone lines are recorded for quality, administration and dispute resolution purposes.

• **Personal Data & Privacy:** We will process your personal data in accordance with Phillips' Privacy Policy as published at <https://phillips.com> or available by emailing dataprotection@phillips.com.
